ANNUAL REPORT

OF THE

Board of Education

OF THE

TOWN OF EAST KINGSTON.

Another year has passed, and again we are expected to make our annual report of the condition of the schools, the success of the teachers, etc. It is always a pleasure to give a good report of the teachers' work. We cannot reasonably expect all to be perfect teachers and scholars, but much improvement has been made during the past year. We think it a duty to publicly express our gratitude to the teachers for their faithful and untiring labor in their school work. The successful teacher's work is not confined to six hours a day; they spend many hours each week, outside the school-room, in preparation for the next day, in correcting written lessons, and in many other ways to benefit their schools. Of the scholars it should be said, with a few exceptions, their good behavior is worthy of special mention. The new text book system is working wonderful changes for the better with us. It has been our privilege to give to every pupil new text books, for use, as we thought best adapted to their needs and attainments. This has been a pleasant task, although, of course, it has greatly increased our duties. The books have been well used in nearly every instance, and none

were returned at the close of the schools, this year, unfit for use, with the exception of a few first readers, which are completely worn out.

Through the generous appropriation of the town we can refer with pleasure to the two new schoolhouses built during the year; and we hope, in the next annual report, we can say, with nearly every other town in the county, that we take pride in our schoolhouses throughout the town.

The whole number of children in town as returned by the selectmen is 92; males, 48, females, 44. The whole number of scholars that have attended our schools the past year is 79; males, 41, females, 38, of which 2 were less than 5 and 4 were more than 15 years of age. We know of no person in town between the ages of 14 and 21 who cannot read and write.

ROLL OF PERFECT ATTENDANCE.

FOR THE YEAR.

Annie T. Rowell, Alice T. French, Frank L. Currier and John E. Currier. Edna L. Giles, Flora B. Giles and Mabel E. Marsh, absent one day each for sickness.

FOR TWO TERMS.

Lena G. Marsh, Edwin S. Bryant, Warren F. Currier and John M. T. Richardson. Edward S. Currier, absent one-half day. Perley K. Lord, Nellie Monahan and John Monahan, absent one day for sickness.

Respectfully,

LAURA O. PHILBRICK, Supt. of Schools.
